Treasurer's Report

Removed for WWW posting

**We have changed our bank to lower costs since Elaine (Treasurer) advised that service charges had jumped on our account at the National Bank. We are now banking at The Northern Credit Union. Elaine and Tom Savage are the signing officers of our club account. We expect the Northern Credit Union to be much more service friendly.

President's Report

Well, winter is almost over, and the field is in good shape, so I hope everyone will be flying soon. I actually only flew 6 or 7 flights off the snow this winter, and conditions were very good.

The year looks to be very active at the field and with Expo 150 we will be very busy. I am looking forward to a big turnout at our Spring Banquet (if in fact one is being organized).

Our involvement in Expo 150 is going to require everyone in the club to participate by helping out. This is a 4 day event and our static display will have to be manned. We will have security provided for us for the whole event by the Military. We also have to man the MAAC Promotion. We will also have a kids building forum using MAAC club kits.

The hours of operation are:

Thursday, Friday & Saturday ---- 10:00 a.m. to 4:00 p.m.

Sunday ----- 10:00 a.m. to 2:00 p.m.

I think we will be asked to put on some flying demos, more on that later since I am waiting on final confirmation from the airport.

Field Report

Field is open. Raking and clean-up will be set after frost is out of ground.

Flight Training Report

Len Forder has confirmed he will take the position of Chief Instructor for flight training in 2011. He hopes to get help and support from club members as required.
