### **President's Report**

It is just over a month before our big show, Expo 150 at the airport. Our committee members are Gert DeRuiter, Bob Graham, Irvyn Groehl and I. We will be calling on everyone to help since it is for 4 days. Some of us will have to do more than one or two shifts. The hours will be 11:00 AM to 8:00 PM for Thursday, Friday and Saturday. On Sunday the hours are 1:00PM to 3:00 PM.

In the next couple of weeks I hope to have everything together so we don't have to chase things down at the last minute.

I will send out an email after our next county meeting listing everything that is going on. This information will also be available on the Expo 150 website [www.expo150.com](http://www.expo150.com).

### **Field Report**

Tom reported the field is in great shape and we may get a roller to roll the field. Tom is hoping to have the lawnmowers going soon.

## **Flight Training Report**

Len gave a talk on his ideas for the upcoming seasons training sessions. It was decided Tuesdays would be the training nights and anyone else at the field would have to give up the flight line to the beginner. Wednesday would be the club flying night, with the field open all week for regular flying. We need instructors to give Len a call so he can organize the flight training

### **Old Business**

- a) Expo 150 – everyone present agreed to help out. This is a major club project so everyone must help if they can. The committee will be calling everyone to organize the help and timing. If you have a preference as to what you want to help out at, let the committee member know.  
Bob Graham – Flight Simulators  
Irvyn Groehl – Kids Building Sessions  
Gert DeRuiter – Static & Flying Displays  
Tom Savage  
\*\*\*We need someone to man the MAAC Promotion and someone to answer questions at the Static Display
- b) Spring Banquet---Was held May 7, 5:00 p.m. at the Shanty House. We had 20 people come out for a nice dinner and a good get together. It was nice to see the wives at this dinner since many don't attend the field very often.
- c) Banking: Moved by Irvyn, that Elaine Schenk & Tom Savage have signing authority on our Credit Union account. Seconded by Deven, Passed unanimously.

### **New Business**

Canteen for Fun Fly --- We asked for volunteers to run the canteen. Deven said he would see if his daughter would be interested.

E-Mail – Everyone thinks email is the best way to get the information out to members.— plus we must always remember that there is a website---[algonquinrc.com](http://algonquinrc.com)

Morris Towns – Irvyn and I went to see Morris and we are getting the Arrow, plus Various planes
