President's Report

Bob Howard and all in attendance expressed their appreciation for Elaine Schenk's hard work over the years.

Field Report

No Report, however the following items were discussed.

- Round Up, the farmer who takes hay from the field wouldn't have it, Stefan Boyle said he would check into possible sources
- Tractor, Stefan Boyle will approach the schools and see if we can get an assessment on repairing them. This will help us decide whether we will need a new tractor in the spring.

Flying Instruction

No students listed as of now, however we might have five-plus. Last year two students didn't continue training mostly due to bad weather. Maybe regularly scheduled classes would help with attendance.

Items for Discussion

Club Treasurer

- As Elaine will be stepping down as Treasurer, this position will be open for election in December.

Mowing schedule

- Worked well the first part of the season, Ken Klein volunteered to maintenance the schedule next year.

- The meeting minutes will be available on the MAAC website.
