President's Report:

No report.

Flight Training Report:

No students listed as of now, however we might have five-plus.

Field Report:

- Scott will email club members when the clean up will be taking place and is able to provide a trailer. He suggested that the scrap metal be taken to B-line. Tom offered to assist in the clean-up by providing a back hoe.
- Alternate methods of runway weed control, will be tested, when weather permits.
- It was suggested by the members that we build two flight tables to replace the older ones.

Old Business

Website Costs

- The club website has been moved from NRTCO to MISK.COM. As a result of the move costs have been reduced from \$130.00 to approximately \$50.00 CAD yearly.

Club officers

- We still need to fill the following position.
 - Chief Instructor

Discussions of Interest

- Stefan suggested we should use Facebook to reach more potential members. Yvonne volunteered to setup and run the club Facebook account. Members will be able to add videos to Youtube and link them to our Facebook page.
- It was suggested that we have a Funfly on September 10th. this year. Bob Howard will post the event on the MAAC bulletin board.
- It was noted that the Website wasn't up to date. Bob G. will make the required changes.
- Tom Savage brought in The Reunion of Giants DVD, which was shown after the meeting. It describes how the Hamilton Canadian Warplane Heritage Museum travelled to England and flew their Lancaster together with the RAF's Lancaster Bomber in numerous Airshows throughout the UK.
