Club balance as of December 31 2016 was \$XXXX

President's Report:

Bob Howard expressed concern about expenses versus club revenue from membership fees. Current club membership is \$40.00, this was reduced last year before the fire, when we were using our own lawn tractor to maintain the field. Scott Boutilier did an excellent job of maintaining the field last season.

Old Business

- The club still has a large number of models and components from Ross MacEwan. Anyone who is interested in any of these items should contact Scott for details.

Discussions of Interest

- Bob Graham made a motion that the club renew our Website for another year, costs for the site will be \$42.00 USD. Motion was seconded by Yvonne Adam.
- Tom Savage gave a great talk on his trip to Europe, last fall. He visited numerous historic sites and memorials dedicated to WWI and WWII. Some of the places he visited were the Battle of Somme, Normandy landing sites, Dieppe and Vimy Ridge. Tom said the weather was good for most of his trip. Tom also related stories and information about of how gliders were used and other interesting facts.
