Call to order

At 19:45

Attendees

Alan Au, Bob Graham, Jeff Mallete, Ray McSorley, Tom Savage, Matt Mcguire.

Treasurer's Report

39 members have registered for 2010. The final balance was \$xxxx.xx. The major expense this period was the purchase of a new Garden tractor, to replace the Ford, which has a bad main bearing. The report was approved by Jeff Mallete and seconded by Alan Au.

President's Report

Tom attended the 150yr -2011 meeting on Sept 1, no major issues, a few changes in the committee members. At this point things are on track. Tom felt that another club member should be on the Algonquin committee in addition to Gert and Irvyn.

Field Report

Cut down a few large trees next to the pit.

It would be a good idea to add a sign on the fence seperating the pilot area, stating something like "Pilots only, beyond this point." or " Members Only"

Flight Training Report

No report

Old Business

a) 150yr Valley Committee

- MAAC has agreed to provide 100+ simple plane kits.
- Need to come up with a floor plan to determine how much space we will require.
- Might be a good idea to invite model jet pilots.

b) Field Etiquette

- Bob to send out the draft with the minutes which Colin composed, so we can discuss it at our next meeting.

New Business

a) Indoor Flying

- Bob Graham will contact the school to try and get the Bishop Smith HS gym from early Nov until March 2011.
- Tom Savage will contact Stefan Boyle to see if we can get access to a large building (Y101) on base.

b) Fun Fly (26 September)

- This will be a low key event, involving only club members and word of mouth drop ins.
- A few days prior we might throw something together for food / snacks, but no official canteen will be organized.

Next Meeting

October 6, 7:30PM at the Petawawa Civic Centre

Meeting Adjourned

At 20:30.
